

Ceramarama is a social enterprise where creativity and connection meet. We offer pop-up ceramics and art and craft workshops designed to be educational, enriching and welcoming to all.

Ceramarama currently operates as a fully equipped, mobile ceramics arts studio delivering tailored therapeutic, educational, and team-building workshops directly to clients' and community's locations within Brighton and Hove and across the south-east of England.

Hove & Kingsway Bowling Club is a friendly club where everyone enjoys a game of bowls and social events. The clubhouse is situated by the Hove lawns close to public transport and the beach.

In addition to our bowling activities we have a thriving social side, musical entertainment, summer BBQ's, Quiz's, and charity days and much more! The club has a Bar, Cafe and entertaining area.

HOVE & KINGSWAY
BOWLING CLUB

Choose 2 or 3 activities to build your team day.

1 Mindfulness and Yoga

Start with stillness. A certified instructor will lead a gentle, inclusive yoga and mindfulness session.

Purpose: To centre the group, release tension, and cultivate a present, open mindset for the day ahead. Options for seated movement available for all abilities.

2 The Art of Lawn Bowls

Collaborative, strategic fun. Under the guidance of club experts, teams will learn the basics of lawn bowls— a game of skill, tactics, and gentle camaraderie.

Purpose: A low-pressure, highly social activity that encourages communication, light-hearted competition, and strategic thinking.

3 Ceramics Hand-building Workshop

Make your mark. Ceraramama will guide your team in a hands-on clay workshop. Each member will create their own unique piece (or collaborative team-building piece) to be fired, glazed, and returned.

Purpose: To engage the right brain, promote a state of 'flow', and provide a tangible, lasting memento of the day's creative spirit.
